Protest of the Inclusion of One Parcel in the November 21, 2006 Competitive Oil and Gas Lease Sale

## **Protest Denied**

On October 6, 2006, the Bureau of Land Management (BLM) provided notice that 280 parcels of land would be offered in a competitive oil and gas lease sale scheduled for November 21, 2006. The notice indicated that the protest period for the lease sale would end on November 6, 2006. By errata sheets dated November 6, 14, and 17, 2006, 25 parcels listed in the notice were deferred from the sale and one parcel listed in the notice was deleted from the sale. The lease sale was held on November 21, 2006.

On November 6, 2006, this office timely received your telefax-delivered letter in which you protested the inclusion of parcel no. UT1106-264 in BLM's November 21, 2006 lease sale. The protest parcel is located on public lands administered by the Monticello Field Office.

### **Protest**

The protest states that the subject parcel should not be offered for lease sale because the town of Bluff depends on its scenic, historic, cultural and archaeological resources for its economic well-being.

### **BLM Response**

The protest provides only general, conclusory allegations about the potential impact of leasing, but it does not allege that BLM violated any specific law or policy in offering the subject parcel. At best, the protest expresses mere disagreement with BLM's land use planning allocation of these lands as available for oil and gas leasing. The time for challenging BLM's current land use plan for the subject parcel is long since passed. As such, the protest demonstrates no error and BLM denies it.

BLM has received an offer on this parcel, but the parcel is also the subject of another protest. Depending on the resolution of the other protest, BLM will issue or not issue a lease for the parcel.
